KILLER GIG of the week undoubtedly goes to the Elton John Extravaganza at Wembley Stadium on Saturday with the Beach Boys, Eagles, Joe Walsh, Rufus and Stackridge making up the bill.

Elt has been rehearsing for the past three weeks in Amsterdam with his new band, and will be featuring material from his "Captain Fantastic" album.

Useless information dept: the stage is 150 ft. wide and 70 ft. deep — to hold 32 amp stacks each side of the stage. Among the crowd (the place can hold 72,000 and will because it is sold out) will be some 1,000 bods from Paris who are flying in especially; also 1,000 from Brussels. 100 from Washington and 250 from Iceland.

Doors open 10.30 am. Gig starts 11.30. Finishes 10 pm.
